Request Date: May 18, 2010

Decision Subject: Concurrence on Proposed New Solid Waste Facility Permit for SANCO Recycling, SWIS No. 37-AA-0965

Action By: May 23, 2010

Summary of Request: This is a request that the Deputy Director take action on a proposed new Solid Waste Facilities Permit for SANCO Recycling, SWIS No. 37-AA-0965, located in San Diego County. Staff's findings and recommendations are provided relative to the proposed action.

The proposed permit was initially received on March 18, 2010 and a different version was received on March 24, 2010. Action must be taken on this permit no later than May 23, 2010. If no action is taken by May 23, 2010, the Department will be deemed to have concurred with the issuance of the proposed permit.

Recommendation: Based on our review of the submitted permit package, staff recommends the Deputy Director concur with the issuance of the permit. All of the required submittals and findings required by Title 27, Section 21685 have been made and the required CEQA findings have been made in support of concurrence. These findings are summarized in the Waste Compliance and Mitigation Program Staff Report attachment. The documents on which staff's findings are based are located in the facility files. Details on the findings are presented in more detail in the Waste Compliance and Mitigation Program Staff Report.

Deputy Director Action: On the basis of the information, analysis and findings in the staff report attached to this Request for Action and staff recommendation, I hereby concur in the issuance of the proposed New Full Solid Waste Facilities Permit for the SANCO Recycling site.

Dated: 5/14/2010

Mark Leary
Deputy Director
